Praktikumssuche:	Looking for a place to start the internship was easier thanks to the University and the previous students who presented different options and experiences.
Bewerbung (Ablauf, Initiativbewerbung,	I contacted the person in charge of the internship in the company by email, and sent documents related to the formation that I was receiv-

Auswahlgespräch, etc.):	ing in the university, my CV and a motivation letter.
Wohnungssuche:	The company provided the accommodation and therefore I did not have to look for a place to stay.
Versicherung:	As all the employees at Eurofins, the company provided the corresponding insurances.
Telefon-/Internetanschluss im Zielland:	Internet access was also provided by the company in the workplace. Nevertheless, I kept my previous contracts of telephony and internet from Germany for my private use.
Bank/ Kontoeröffnung:	I did not have to open a new bank account, because the bank account that I hold is from Germany, information that was enough for the receiving company.
hilfreiche Internetadressen/ Sonstiges:	It is difficult to get to the working place by normal transport systems (train, bus, and airplane) therefore it is good to ask the person in charge by email if someone from the company can pick you up at the nearest point (e.g Agen train station). Having a driving license is also very useful.
