INFORMATION ABOUT THE TRAINEESHIP

Please fill the following fields in a detailed manner and give exact information about the traineeship as such (websites, tips, contacts, etc.).

Type of traineeship:	Business Development and Sales
Tasks within the traineeship: Could you apply learned skills and knowledge? Were the tasks too much / not enough? etc.	Since the beginning I was taxed with ample responsibilities, and learned a lot about the drone industry, the new regulations, and improved my skills in dealing with different types of customers.
Supervision (introductory/concluding conversation, weekly/monthly feedback, etc.)	Supervision was minimal. As the team is small and everyone is overloaded with work. Could have benefitted more with a mentor.
Social contacts during the traineeship:	I lived with half the people who worked at the company so we enjoyed a lot of free time together as well. This was also good for team building and better synergy at work. Due to the pandemic, the social contact was limited to the working colleagues.
Language skills (benefits, improvements, etc.):	I improved my German skills more than Italian, as the region of Italy is a German speaking region.

<p>Short overall evaluation of your stay abroad: Private / professional benefit? What were your expectations? Were these fulfilled? What was particularly good / not so good?</p>	<p>Professionally, I was able to figure out a direction of focus for my career goals. I also received a full time opportunity after the traineeship and will continue to work here for some time. As explained earlier, there was not much guidance due to the dynamic fast paced environment, which could have been useful. Nevertheless, the expectations were fulfilled and the overall experience has been great.</p>
<p>Duration of the traineeship: Too short, just right, too long? Recommendations for an optimal length of time?</p>	<p>The duration was appropriate</p>
<p>Average monthly expenses abroad in €; Additional costs in contrast to expenses in Germany:</p>	<p>Eur 600 + inkl. Accomodation.</p>
<p>What should one absolutely know / keep in mind?</p>	<p>To check for bureaucratic obligations in advance.</p>
<p>Are you of the opinion that the traineeship will benefit you in your future professional career? If yes, how? If not, why?</p>	<p>Definitely. I learned a lot about a new industry which reflects as my expertise now.</p>
<p>Can you recommend this traineeship? (Please be sure to elaborate) If yes, would the organization/enterprise accept trainees in the future?</p>	<p>Yes, I can recommend FlyingBasket as it is an excellent experience to work with new and innovative technology. The organization is growing rapidly and is actively hiring young people to support their vision.</p>
